

## Nilotron® Hand Held Aerosol - Soft Linen

Nilotron® handheld aerosols will instantly freshen the air in any office, business, or home environment. The Nilotron® aerosol formula directly attaches to the odor molecules and converts the odors to a pleasant fragrance. Handheld aerosol quickly freshens the air with every spray.

### Key Features

- Fine mist, dry aerosol formula
- Updated cap for an easier spray
- Ergonomic can design, for easier hold and spray
- Freshens and controls odors for up to 24 hours
- Available in a wide variety of pleasing fragrances
