

NATURE SERIES

NS33-BB, NS33-LV

Inspired by the great outdoors, our Nature Series features two attractive patterns creating four sets of 33-gallon decorative Trash and Recycling receptacles in neutral metallic powder-coated finishes with color-coordinated liners that further enhance the laser cut graphics.

FEATURES & BENEFITS

- Outdoor 33-gallon steel receptacles with aluminum dome tops
- Laser cut graphics include Bamboo Stalks or Leaf patterns featuring either TRASH or RECYCLE with corresponding universal icons - no decals
- TRASH unit dome tops include three (3) oblong openings and RECYCLE unit dome tops include four (4) circular openings, each 5" in diameter
- Includes color-coordinated LLDPE liner with lift handles and bag retention notches. The liner base resin meets UL94 flammability standard
- Dome lid is secured to unit with a plastic coated steel security lanyard to prevent theft and vandalism
- Units can be mounted either in-ground or on poles, fences or wall surfaces using mounting kits provided (B-1022 & WR-MT KIT). Ex-Cell recommends units be mounted in one of these methods to help minimize body and lid damage
- Replacement parts shown on product pages at ex-cell.com
- Bodies contain over **30% recycled materials**, lids contain over **70% recycled materials**, and entire receptacles are **100% post-consumer recyclable**
- Made in the USA

33	Gallons
18"	Diameter
44"	Height
45	Weight (lbs)
Carton - 19" x 19" x 46"	

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
