FEATURES & BENEFITS

- Heavy duty, all steel, 37 gallon capacity outdoor recycling receptacle
- Available with or without rain canopy
- Comingle lid provides a 5" diameter opening, overlapping a 2" wide by 12" long opening
- Weather resistant powder coat finish in Recycle Blue gloss is durable enough for any climate
- Solidly built with 1.5" wide by 3/16" thick welded steel bars
- Bottom consists of steel channels so unit can be secured to ground, if desired
- Adjustable leveling guides keep unit stable, even on uneven surfaces
- Lid is secured to unit with plastic-coated steel security lanyard to prevent vandalism
- Includes color matched, removable LLDPE plastic liner with lift holes and bag retention notches. The liner base resin meets UL94 flammability standards
- Replacement parts shown on product pages at ex-cell.com
- Contains over 30% recycled materials and is 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
