

VENUE COLLECTION

VCR-33 PERF, VCT-33 PERF, VCC-33 PERF

The Venue Collection features Laser Cut RECYCLE, TRASH or COMPOST graphics (unlike other units that use decals). These Venue units also feature color coordinated plastic liners and lids.

FEATURES & BENEFITS

- Brushed Stainless Steel body is fully welded with contemporary perforated hole pattern
- Flat lid with 8" opening is finished with fingerprint-proof, textured finishes in blue for Recycling, black for Trash, and green for Compost
- Security lanyard keeps lid attached to receptacle in order to prevent theft and vandalism
- Full wrap-around rubber gasket on bottom of receptacle to protect unit and floor surfaces
- Includes 33 gallon capacity LLDPE plastic liner with lift holes and bag retention notches, which match lid color. The liner base resin meets UL94 flammability standards
- Replacement parts shown on product pages at ex-cell.com
- Contains over 60% recycled steel and is 100% post-consumer recyclable
- Made in the USA

Carton - 21" x 21" x 36"	

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
