

PREMIER SERIES

WR-33F

Powder coated in an attractive array of colors, these Premier bodies with stainless steel funnel tops provide a high end look to compliment any décor. Available in 5 powder coated, textured finishes with an all stainless steel option available.

FEATURES & BENEFITS

- 33 gallon Indoor Waste Receptacle
- Comes with stainless steel funnel lid with an 8" opening
- Funnel top design directs waste into the receptacle to keep floors clean.
- Four heavy-duty feet keep the bottom of this unit slightly off the ground to allow for air circulation and prevent mold/mildew growth and "mop around" rings
- Includes an LLDPE plastic liners with lift holes and bag retention notches. The liner base resin meets UL94 flammability standard
- Replacement parts shown on product pages at ex-cell.com
- Contains over 30% recycled materials (over 60% for stainless steel) and is 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
