# COLORS

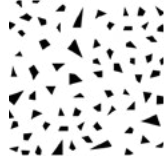

Match your facility's look and design with a wide range of color options. Our flooring is available in three color sets, Core, Flex, and Fit:

## CORE

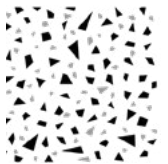

Core colors are solid and lightly patterned flecks colors. The color fleck is embedded throughout the entire thickness in rolled rubber flooring.

## FLEX

Flex colors adds more flecks into the color mix. These colors, when viewed as a large floor, read as the most patterned rubber flooring.

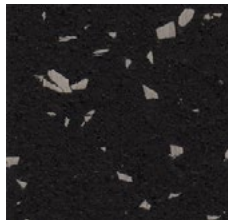

## FIT

Fit adds the most flecks into the rubber flooring, moving away from a black floor and reading as a solid color. Mixing Core, Flex, & Fit colors
